LEAGUE ORGANIZATION

The League shall be known as the Big 6 League for Baseball and Softball. It shall be operated under the direction of the Board of Directors.

The Board of Directors shall consist of a President, Vice-President, and Secretary. The President and Vice-President shall serve a one-year term for the calendar year of that season. The Vice-President will fill the position of President the following year. Each year the Vice-President shall be elected from the town whose term is next.

The Executive Secretary shall be appointed by the League President. The Board of Directors will also serve as the Protest Committee.

The League President shall vote if needed to break a tie. A majority of the voting members in each age group shall be required for the committee to conduct a meeting or complete a vote. Only the League President and Vice-President may make decisions via a general telephone consensus of Big 6 League business with Big 6 League Board Members. Big 6 League meetings will be open to the public.

BIG 6 LEAGUE OFFICER SCHEDULE

The League President shall rotate on a yearly basis. The order shall be - St. George, Westmoreland, Blue Valley, & Riley. As additional communities join the league, they shall be added to the end of the rotation.

NOTE

NBC & KSHSAA refer to the National Baseball Congress, & Kansas State High School Activities Association, when used herein.

SPORTSMANSHIP

1. The Big 6 Code of Conduct must be placed on all applications as follows: All managers, coaches, officials, parents/spectators shall be expected to teach fair play & good sportsmanship to their players/children through "good example" & "conduct". Sportsmanship includes respecting officials and accepting their decisions without question, leading your team/children & fans to respect officials by being a "good example" and treating all individuals with respect & courtesy. Coaches are expected to control the chanting from the dugout and to stop all negative chants and chants directed at the opposing team. Each party listed above also agrees to conduct themselves in a "sportsmanship-like" manner before, during & after all games, be knowledgeable of the League Rules, & enforce the prohibition of alcoholic beverages or tobacco of any form in the dugouts or on the playing field by anybody. Violations of this code will be documented & consequences pursued through the Big 6 League Board of Directors.
2. Any manager and/or coach will be automatically ejected from a game, after 1 warning, for actions violating the Big 6 Code of Conduct.
 - a) All warnings need to be identified by both coaches in their respective score book, along with the stated reason, person receiving warning, the time, which part of the inning, batter before and after, number of outs and the count on the batter.
 - b) Any manager, coach, player or fan refusing to leave a game after being ejected by an umpire will cause their team to forfeit the game.
3. Managers and coaches are responsible for adhering to and enforcing the Big 6 Code of Conduct. Failure to comply with the Big 6 Code of Conduct can cause that team to forfeit that game with each incident being documented and consequences pursued through the Big 6 Board of Directors.
4. Umpires will inform their town representative if players and coaches are ejected for flagrant, unsportsmanlike conduct. "Ejectees" will face at least a 1 game suspension, if following a review by the Board, such action is deemed necessary. Anyone suspended twice under this rule will be at least suspended for the remainder of the year.
5. **Game Intent:** When coaching, keep in mind that it is your responsibility to **COACH SMART**. It may be easy to send a base runner, based on the skills of the defense, when the runner would normally be easily thrown out at the next age level. These actions do not serve in the development of a player to determine the point at which they may attempt to advance to the next base. Take the time to ask yourself, if I were playing would I advance in this situation? If the answer is no then hold the runner at that base.

UMPIRES

1. All towns will have, for each game, two Big 6 certified umpires on the field.
2. All umpires are expected to conduct themselves in a manner which will display their knowledge of softball/baseball rules and fair play.
3. **Umpire Requirements:**
 - a) Umpires must attend a League Rules Meeting set up by the Board of Directors or any other clinic given by ASA or NBC.
 - b) Big 6 League umpires may be suspended by action of the Board of Directors at any time.
4. No umpire can participate as a coach or player in the same age group that he/she umpires.
5. Any complaints regarding the abilities of any umpire shall be submitted in writing to the Board of Directors.

RULE CHANGES

The Big 6 League Board of Directors will hold a "Rules Meeting" upon completion of all post-season tournaments, but before the end of the calendar year. The Board of Directors can make any rule changes at any time due to safety factors, or as necessary to ensure fair competition as determined by the Board of Directors.

REGISTRATION OF MANAGERS, COACHES & PLAYERS

1. ALL teams **MUST** send at least one coach to the Rules Meeting. Any team not represented at the Rules Meeting will automatically forfeit all protest rights as defined below **under sections 1-5 of Protest Rules**.
2. Town Representatives must obtain roster sheets from the League President and/or Secretary. All managers, coaches, and players must be officially registered. Each will be registered during the current season only.
3. Where a child is eligible to play will be established by his/her residence and/or city of school attendance. Any exceptions to that must be approved by the League Board of Directors via a waiver form.
4. Waiver forms must be used when:
 - a) Requesting to play in the Big 6 League, but your residence or school attendance is outside the League towns.
 - b) Requesting to play in a town other than where you reside or attend school
 - c) Requesting to play up/down an age group
 - d) All waiver forms must be filled out and signed by the parents/guardians and given to the hometown representative to be considered.

5. Names listed on each team's roster must agree with the birth certificate or hospital records. A certified copy of the birth certificate may be requested for league play.
6. The Board of Directors, upon proper evidence presented to the League, may declare any player in question ineligible at any time. If a player is declared ineligible, his/ her team shall forfeit all games in which he/she participated.
7. When drafting teams in all age groups, the players being drafted must be dispensed as equally as possible according to their age. All rosters are subject to review by the Big 6 League Board of Directors.
8. Only players listed on the roster can play. Any variation must be agreed upon by both coaches, entered into the score book, and initiated by both coaches and the umpire. This includes:
 - a) When you are short players, you may only add players for the regular season (not during the Tournament) from the same age group to bring your team up to 9 players in the 12-14 Division and up to 10 players in the 7/8 & 9-11 Divisions.
 - b) Teams adding players on a Big 6 League roster, from a lower age group and of the same gender for the regular season and Tournament.
 - c) If the regularly rostered player(s) show up for the game after the game has started, the players borrowed/ brought up for the game must be removed from the game for the regularly rostered players.
 - d) It is the responsibility of the Coach using the provisions of Rule-8 to notify the opposing Coach and the Umpire before the game starts that he/she is bringing their team up to 9 or 10 players.
 - e) Failure to comply with any provisions of Rule-8 will result in a forfeit of that game.

The intent of this rule is to bring teams up to 9 players in the 12-14 Division or 10 players in the 7/8 & 9-11 divisions, and no more. Only 2 players may be borrowed/ brought up for any given game

The umpire must announce that the game is being played under protest and the official score book must be noted with inning and outs when the protest occurred.
3. Decisions by the Board shall be final on any protest. If a protest is upheld, the fee will be returned to the protesting team, and the game will be resumed from the point of the protest.
4. No protest of any kind shall be considered for a play involving a judgment call by an umpire. If a protest of this kind is filed anyway, then the protesting fee will be returned but the protest will not be heard.
5. After a protest is properly filed, the Board of Directors will meet within 10 days to conduct a protest hearing. The Board of Directors will request that the umpires and coaches be present. At this time, a ruling will be made, if needed.

PLAYER ELIGIBILITY

1. Age eligibility is determined by using **May 1** of the current year as the cut-off date for both boys and girls.
2. All rosters must be filed and in the possession of your Town Representative 3 weeks prior to the beginning of the Big 6 League season.
3. At any time, a Board of Director may request a player's birth certificate and must be presented before his/her next game.
4. No player shall be added to a team after June 1st of the current year. (Exceptions MAY be approved by the Board of Directors.)

WEATHER CONDITIONS

1. Games canceled due to lightning, rain, extreme heat (heat index: 112 degrees or more), graduation, or other school events MUST be rescheduled within 10 days of the originally scheduled date. The home team is responsible for rescheduling. Failure to do so may cause the home team to forfeit the game. If necessary, games will be made up on Saturday or Sunday.

 - b) St. George- 3rd Baseline
 - c) Westmoreland- 1st Baseline
 - d) Leonardville- 3rd Baseline
4. No steel cleats are allowed for any Big 6 League age groups.
5. **Crash Rule:** The runner is out when a defensive player has control of the ball and the runner remains on his feet and crashes into the defensive player, excluding first base. Result: The ball is immediately dead, the runner is out, and all other runners must return to the last base touched at the time of the collision. It is up to the runner to avoid such contact.
6. **Strike Zone Definition:** The space over any part of home plate, which is between the batter's arm pits and the top of his/her knees when he/she assumes a natural batting stance.
7. All teams are required to bat all of the players on the team roster before the order is repeated. This batting order will remain constant unless a player needs to be removed due to injury, illness, etc. If this is to occur, they will have their names crossed out and their turn skipped.
8. A team will be allowed only 1 warning **per game appearance** for throwing his/her bat in all age groups. This is to be noted in both score books. The batter will be called out on the 2nd occurrence, but the play will be allowed to continue until it terminates itself.
9. If a registered player shows up for a game after the game has started, that player shall be added to the end of the batting order.
10. **Hit by Pitch Rule:** When a pitched ball, not struck at or not called a strike, touches any part of the batter's body or clothing, while he/she is in the batter's box. It does not matter if the ball strikes the ground before hitting him/her. The batter's hands are not to be considered as part of the bat. Results:
 - a) Coach Pitch: If the coach hits a batter, it is considered a no pitch.
 - b) 9-11 & 12-14 Divisions: batter is entitled to 1st base.
11. **Injury Rule:**
 - a) Injured players may be removed from the lineup at any time without penalty.
 - b) Once a player has been removed from the lineup, he/she is disqualified from further participation in that game.

12. **Pinch Runner:**
 - a) A pinch runner may be used for the injured player only once during the course of a game. The pinch runner will be that player who recorded the last out prior to the injured player. If an injury occurs to the first batter of the inning, the pinch runner will be the player in the lineup prior to the injured player. The name and number of the injured player will be noted in the official score book when a pinch runner is substituted.
 - b) If an injured player re-enters the game, after having utilized his or her pinch runner, and is unable to continue play an out will be recorded in the score book.
13. **Disability and Medical Conditions:**
 - a) Pinch runners may be utilized more than one time during the course of a game for medical conditions (i.e. asthma) and permanent disabilities, which are not related to an on-the-field injury. All team managers will advise the umpire and opposing coaches of the status of said player prior to the start of the game.
 - b) Abuse of this rule will be considered a serious violation of the Big 6 League Rules concerning conduct and will be punishable by a suspension and/or expulsion from the Big 6 League.

Infield Fly Rule:

An infield fly is a fair fly (not including a line drive nor an attempted bunt) which can be caught by an infielder with ordinary effort, (rule does not preclude outfielders from being allowed to attempt to make the catch) and provided the hit is made before two are out and at a time when first and second bases or all bases are occupied. When it seems apparent that a batted ball will be an infield fly, the umpire immediately announces it for the benefit of the runners. If the ball is near a baseline, the umpire shall declare, "Infield fly, if fair." Note that if an infield fly is caught, a runner **may** tag up and advance at their own risk (no different than if a routine fly ball is caught by an outfielder), and that if it is not caught, they may advance at their own risk without tagging up (again, just like if a ball bounces in front of an outfielder). However, the batter is out in any case, and thus no runners are forced to advance.

Dropped Third Strike Rule:

A batter is out when a third strike is caught OR a third strike is not caught, provided a runner occupies first base and there are less than two outs. If there are two outs or if no runner occupies first base, the batter is not out unless the third strike is caught. He is entitled to try to reach first base before being tagged out or thrown out. Case plays also show that runners that "give up" when they are otherwise entitled to attempt to reach first base are not out until they reach the dugout.
